

CURRICULUM VITAE OF A.J.H.C. SCHRAM (version: 21/10/24)

Personal Information

full name Schram, Arthur Jan Hendrikus Christoffel
born July 15, 1960, in Jutphaas, the Netherlands
email Schram@uva.nl
URL <http://www.creedexperiment.nl/creed/people.php?name=arthur>
research interests experimental economics, micro-economics, public economics, political economics, econometrics

Education

Masters econometrics (cum laude), Tilburg University, 1984 (specialization: mathematical economics and political economics)

Ph.D. economics (cum laude), University of Amsterdam, 1989

Current Positions

1997– professor of experimental economics, University of Amsterdam

Previous Positions (including visiting positions)

2015–2018 part time professor, European University Institute
2013-2014 visiting professor, Institute for Economics Analysis, CSIC, Barcelona
2008-2009 visiting professor, Dept. of Business Economics, Autonomia University of Barcelona
2004 (July, August) visiting professor, Fundacao Getulio Vargas, Sao Paulo
2000 (July, August) visiting professor, California Institute of Technology
1990-1997 associate professor of economics (UHD), University of Amsterdam
1996, 2001, 2003 visiting professor, Economic Science Laboratory, University of Arizona
1991 (March-August) visiting professor, Section for Political Economy, Harvard University
1988-1989 assistant professor (UD), Faculty of Law, Leiden University
1984-1988 research fellow, University of Amsterdam

Professional Awards and Grants

<i>Granted</i>	<i>Goal</i>	<i>≈ €</i>	<i>source</i>	<i>role</i>
2018	Talent grant (PhD position): “Endogenous group formation”	230,000	NWO (Dutch Science Foundation)	co-applicant
2017	Organizing summer school on experimental social science in China	30,000	KNAW (Dutch Academy of Sciences)	co-applicant
2011	Talent grant (PhD position): ‘A Behavioral Approach to Tax Incidence’	163,000	NWO (Dutch Science Foundation)	sole applicant
2003	Grant for Research Project “Evolution of Cooperation”	450,000	NWO (Dutch Science Foundation)	coordinating PI
1998	Research Network of European experimentalists (ENDEAR)	1,500,000	EU-TMR	co-applicant
1991	Grant to visit Harvard University	9000	Fulbright	sole applicant
1991	Grant to visit Harvard University	9000	American Council of Learned Societies	sole applicant
1990	Setting up research group in Experimental Political Economics	1,750,000	NWO (Dutch Science Foundation)	co-applicant and sole PI

Other prizes and fellowships: 3rd prize award for best teacher at Faculty of Business and Economics, 2003 and 2010; ‘Outstanding teacher award’, Amsterdam School of Economics, 2010; KNAW travel grants; various grants (5000-10000) to organize workshops and conferences; fellow NAKE; fellow Tinbergen Institute.

Graduate students

1996:	Theo Offerman, <i>cum laude</i> ; placement: Tilburg University; current position: Professor of Behavioral Game Theory, University of Amsterdam
1997:	Jörgen Wit; placement Pacific Bell; current position: VP at JP Morgan chase
2005:	Aljaž Ule; placement: University of Amsterdam
2006:	Jens Großer; placement: Princeton University; current position: professor at Florida State University
2012:	Joris Gillet; placement: University of Kent; current position: lecturer at Middlesex University
2013:	Marcelo Tysler; placement: Blonk Consultants; current position: researcher at Royal Tropical Institute
2014:	Eva van den Broek; placement and current position: Wageningen University
2014:	Yang Yang; placement and current position: tenure track at Sun Yat-Sen University
2014:	Pedro Robalo; placement: Max Planck Institute for Research on Collective Goods, Bonn
2015:	Boris van Leeuwen; placement: Toulouse School of Economics; current position: associate professor at Tilburg University
2015:	Matthias Weber; placement: Research Center and Vilnius University; current position: University of Sankt Gallen
2015:	Aaron Kamm; placement: NYU Abu Dhabi
2016:	Robert Bertrand; placement and current position: Maastricht University
2018:	Jindi Zheng; placement and current position: tenure track at Institute for Social and Economic Research, Nanjing Audit University
2019:	Junze Sun; placement and current position: European University Institute
2019:	Christian Meyer; placement Nuffield College, Oxford
2020:	Mustafa Kaba; placement Max Planck Institute for Research on Collective Goods, Bonn
2021:	Essi Kujansuu; placement University of Innsbruck
2021:	Andrej Woerner; placement LMU Munich
2022:	Flavia Cavallini; placement Royal Holloway University, London
2023:	Katharina Brütt (2022; placement Free University of Amsterdam)
2023:	Haukur Gylfasson (placement: Reykjavik University)
2023:	Zoey Verdun (placement: Imperial College)
Expected:	Oliver Feltham (2025)

Teaching (Bachelor, Master, PhD)

experimental economics, behavioral economics, micro-economics, game theory, public finance, statistics, applied welfare economics, economic theory, law and economics, macro-economics

Institutional Responsibilities

2012-2015 & 2022-2022-	head of department, micro-economics, Amsterdam School of Economics
2022-	director, CREED
1991-2015	member of the board, Center for Research in Experimental Economics and political Decision Making (CREED)
2011-2015	director, CREED
1997–2006	member of the organizing committees of six European Meetings of the Public Choice Society
1998-2003	vice-dean & director of education, Economics, University of Amsterdam
1997–1998	president of the European Public Choice Society
1991	<i>co-founder</i> , CREED

Editorships and Board Memberships

2020-	member of editorial board, <i>Games</i>
2007-	advisory editor, <i>Experimental Economics</i>
1996-2007	member of the executive board, Economic Science Association
1998-2007	co-editor, <i>Experimental Economics</i>
1996, 2000, 2001	member of the Wicksell prize committee
1995-1998	member of the executive board, European Public Choice Society
1996	<i>co-founder</i> , <i>Experimental Economics</i> (Kluwer publishers, now Springer)
1996	member of the program committee, European Economic Association

Organization of Scientific Meetings

2010	Tinbergen conference 'The Nature of Preferences', Amsterdam
2007	first world meetings of the Public Choice Society, Amsterdam
2004	world meeting of the Economic Science Association, Amsterdam
2000	European meeting of the Economic Science Association, Amsterdam
1997	European Public Choice meetings, Prague (program organizer)
1997	Allied Social Science Associations, New Orleans (session organizer)
1997	European Economic Association, Istanbul (program committee)
1992-1997	yearly Amsterdam Workshop on Experimental Economics
1990	workshop Economic Models of Political Behavior, Bochum

Invited lectures (Selected)

Osaka University; Waseda University; Hong Kong University of Science and Technology; Institute for Advanced Studies, Princeton; University of Iowa; Lafayette College; George Mason University; Georgia State University; University of Arizona; University of Western Ontario; European University Institute; Free University of Brussels; Paris University; University of the Sarbonne; Toulouse School of Economics; University of Cologne; University of Hanover; Humboldt University of Berlin; Autonomia University of Barcelona; University of Barcelona; University of Pompeu Fabra; University of Milano-Bicocca; Ca Foscari University, Venice; University of Padua; University of Catania; LUISS, Rome; University of Bologna; Limerick University.

Keynote speaker

2017	Conference on Political Economy of Mixed-member Systems, Bremen
2017	Annual Meeting of the Italian Society of Public Economics (SIEP), Catania
2015	Conference in Memory of Gordon Tullock, George Mason University
2014	PGPE closing conference, Warsaw
2011	Thurgau Experimental Economics Meetings, Thurgau
2005	Meetings of the Italian Experimental Society, Sienna
2004	Meeting of the German Experimental Economics Society, Köln
1998	Meetings of the European Public Choice Society, Göteborg, Presidential Address

Professional Consultancy

CPB (Dutch Central Planning Agency) and CenterNovem: advice on mechanisms to accommodate decentralized power generation

Dutch Ministry of Economic affairs: Advice airwave auctions (multiple times)

Dutch Ministry of Economic Affairs, a study on consumer choice of health insurance

Dutch telecom authority (OPTA), a study on the allocation of phone numbers

Shell and Texaco oil companies, a study on the auction of slots for gas stations

Dutch Ministry of Economic Affairs, a study on electronic auctions

Dutch Ministry of Transportation, department of Air waves (DGTP), a study on the auctioning of UMTS and WLL frequencies

Dutch Ministry of Transportation, study on competition in Dutch rail transportation

Rijksdienst voor Radiocommunicatie (RDR, Dutch government agency for air wave regulation), a study of various auction methods and auction rules for the allocation of radio frequencies

Verenigde Bloemenveiling Aalsmeer (VBA, Dutch flower auction), a study into the role of information in the Dutch flower auction
